We are deploying scientifically supported practices and innovations that tackle the main ways that COVID-19 is transmitted:

**CONTACT**
We are moving from HIGH-TOUCH TO TOUCHLESS through technology, space design, meeting set-up + catering.

**SURFACE**
We are introducing DEEPER AND MORE FREQUENT CLEANINGS, with extra attention given to high-traffic areas.

We believe that travel connects us to each other, widens our perspective, enriches us and inspires us. We will travel again soon. And, when you and your attendees are ready:

We are ready to welcome you.
